avi HQ (1989) I wish I was a volume who delivers therapy, but in all honesty I just like to watch a guy like that fuck and suck me dry in front of a gorgeous woman like you. I'd love to watch him get you off with my big hard cock in his mouth. I'd love to watch you watch him eat my cum. I'd love to fuck him and make him bleed while you watch. I'm almost to jealous of the guy with a dick in that video. If he's actually hung, it must be a lot like having a dick in your mouth. I think you're hot enough to make a man just blow his load. I'd love to watch that dick explode all over your slut face. You're so fucking hot. It makes me weak in the knees. If I were a guy, I'd be having sex with you all the time. Just thinking about you while I'm fucking your face, tits and ass is enough to give me a hard-on. That pussy is gonna be stuffed and sloppy. You're so fucking hot. I want to lick and kiss your asshole and make you beg for me to fuck you hard. I want to lick the juices and cum from your asshole. I want to be the first man to go balls deep into that beautiful pussy. I want to lick your beautiful tits and fuck them hard. I want to make that tight pussy scream with pleasure. You're such a fucking bitch. This is what you want. This is what I've always wanted to do to you. I want to see that pretty face and huge tits and stick my cock into them and make you scream as I go balls deep into your perfect cunt. I want to hear you scream my name while you're cumming. I want to make you beg for it. I want to slap your beautiful ass and make you beg for me to slam it. That's what I want to do when you're sitting on my face and I've just come inside you. I'd love to have you grab my cock and jerk me off while you're in that wonderful pussy. I would love to fuck you hard. I'd love to suck on your tits while you're screaming and then give you the biggest load you've ever had. I'm gonna miss that

when I leave you. I want to watch my cum drip down that pretty face of yours. I want to watch you cum all over my face while I'm in you. I've got a nice idea. I'm going to 82157476af
